President's Message

Andrew (Drew) Hoffman, Capt., USAF (Ret).

It's been a busy month with lots of balls in the air as we settle into the 2024 membership year. Since we have entered a new "membership year" (the year goes from January through December) your annual dues may need refreshing. At last count there were nearly 60 members whose dues are now delinquent. Please help us clear this item from the books. If you are unsure of your status contact Lon Gardner and he will help you understand your options. If your annual dues expired in December 2023, you've received reminders by email, this Officers Call newsletter and personal phone calls from one of our board of directors members. If you haven't sent in your payment, please do this now so your membership doesn't lapse.

We've also been negotiating with the Veterans Administration and the manufacturer of the designed memorial plaque for the new VA Clinic (introduced at the February luncheon). We are currently at an impasse with the size of the plaque and the pricing.

Preparations are underway and reservations are being accepted to attend the annual Florida Council of Chapters Convention. This year the convention is being hosted by our friends in the West Volusia chapter and will be held at Daytona Shores. Information on attending was made available at the March luncheon and can be obtained by contacting your board of directors.

You may recall the theme of my January message was our tagline, "Never Stop Serving"! Well, we have a new opportunity to, once again, step forward and offer assistance. We need a chairperson/organizer for this year's Holiday Gala. Please contact me directly and let me know you want to help!

NEVER STOP SERVING! *Drew*

Secretary's Report – December Board of Directors' Meeting

Secretary's Report – February 6, 2024 - Board of Directors' Meeting

The February 2024 Board of Directors Meeting for the Halifax Chapter of MOAA met on February 6, 2024, at the Halifax Yacht Club, in Daytona Beach, FL. The meeting was called to order by Andrew Hoffman at 10 a.m.

The following board members (showed with an asterisk) and guests were present: Andrew Hoffman*, Bancroft McKittrick*, Kim Ramos*, Lon Gardener*, Don Needham*, Skip Keating*, Steve Maas*, Patti Higgins*, Steve Becker, Pierre Louis, and Anita Williams.

Quorum requirements met.

Old Business

The following items were discussed:

1. **The minutes of the January 2023, Board of Directors meeting** - were distributed by email during December. Acceptance of these was nominated, seconded, and approved via email.
2. **Treasurer's Report** - Lon Gardener summarized the report and said that the current checking balance is \$ 4951.68. There is \$150 in petty cash, making a total balance of \$5101.68. Lon stated that he may start to keep a running balance from month to month in the treasurer's report. Drew asked that all future treasurer's reports include a copy of the PNC Bank statement for balancing purposes. Lon agreed. Lon asked if a decision had been made on compensation for Kevin Tobias, the Gala DJ. Drew stated that once we have a chairperson for the Gala Committee, this issue will be addressed. Kim asked if there had been a financial audit recently. There was a discussion, and it was concluded that we need to get clarification on the requirement for an audit. Kim and Drew stated that an audit had been done when they had assumed the job of president and treasurer. Pierre stated he would check with national MOAA on this matter. There was a question whether members can get a receipt of their donations for tax purposes. It was pointed out that we are a non-profit organization and can provide receipts. Bancroft made a motion to accept the report, Skip seconded, and all approved.
3. **Membership** – Steve B. stated that we have 127 members; we had one new member and one member passed. He stated that there are still sixty people that have not renewed their dues. Drew asked Pierre to send an email to those members reminding them that the deadline for renewing their dues is the end of December each year. Drew also informed Lon that a check needs to go to FCOC to cover the chapter's annual dues of seventy-five cents per member.
4. **Officer Call Report** – Pierre introduced our new member, Anita Williams, CDMR USCG. He stated that Joe Peabody will be managing the Officer's Call Report and our new member, Anita Williams, will manage the website starting in March. He also stated that Joan will oversee the social media activity for the newsletter. He requested that if you have social media information, please share it on our Facebook page.
5. **Surviving Spouse Update** – Patti stated that January was a busy month. She was able to attend the virtual chapter meeting and the speaker provided must-needed advocacy information to the spouses. Pat Green, an FCOC trainer, has authored an article in the February MOAA magazine about the surviving spouses group. Patti wanted to know if the surviving spouse must pay dues when their spouse passes. It was pointed out that if the deceased spouse was a lifetime member the spouse does not have to pay local chapter membership dues.
6. **Bagels and Bingo** – Skip Keating stated they met yesterday and there were fourteen veterans, 7 MOAA volunteers, and 2 DAR volunteers. This activity takes place at Emory Bennett Veterans Nursing Home in Daytona Beach at 10 am on the first Monday of each month.
7. **VCVC Update** – Skip Keating stated that there will be a Chili cookout at Embry Riddle on February 24, 2024, from 2-4 p.m. He also told the story of what happened in 1943 when the USAT Dorchester was crossing the Atlantic Ocean, and a German submarine fired a torpedo at the ship. Four Army chaplains sacrificed their lives to save others who were onboard the sinking ship. Four Chaplains Day is celebrated on February 3 every year in recognition of their heroic act.
8. **VA Coffee and Donuts** – Patti Higgins stated they served donuts and coffee last Thursday. Patti also read an appreciation letter from the clinic to MOAA for their service. Skip mentioned that the clinic is asking for jeans donations to give to veterans who need them.
9. **FCOC Convention** – West Volusia MOAA Chapter will be hosting the Council of Chapters Convention, which is being held May 12-15, 2024, at Daytona Beach Shores.

From The Floor

10. **Halifax Gala Chair** – Drew stated that the BOD is still looking for a chairperson for the Holiday Gala.

11. **Halifax River Yacht Club** -- Drew stated that there is another new banquet manager, the sixth one in a year. This person is just getting orientation and we will need to coordinate the April Scholarship dinner and pricing quickly with the new manager.
12. **Baseball Game Outing** – Kim informed the BOD that there are tickets to a baseball game on the following dates: 9-14 April, 23-28 April, and 7-12 May. The ticket for each game is \$11. We need to have at least twenty people to purchase as a group. We feel strongly that we will have that number and have asked Kim to check to see if we can make reservations for Sunday 14 April.
13. **VA Clinic Plaque** – Drew stated that we are still accepting donations for our VA clinic plaque. We have collected at least \$500 and will know the actual total as soon as Lon has a chance to tally the checks he has received. We are still accepting donations.
14. **Barracks of Hope**—Skip stated that there is a new facility that was dedicated on 23 December to house homeless veterans. The facility needs a lockable medicine cabinet which costs approximately \$1200. He asked if we would be able to contribute \$100, from the scholarship fund, to assist with this. A motion was made by Skip, Steve M. seconded and all approved.
15. **Upcoming Speakers**—Don reported that Sheriff Chitwood will be the speaker for February and Port Orange mayor, Donald Burmette will be the speaker for March. He is actively canvassing the area for potential speakers and expects to have other names by the next meeting.
16. **Outstanding Vendors**—Bancroft stated that the Outstanding Support to Veterans Award Committee will meet this month to start reviewing companies for this award. The award is presented at the May Luncheon Meeting. Committee members include Ben Taylor, Skip Keating, and Bancroft McKittrick.

The meeting was adjourned at 10: 57 a.m. Our next meeting is on March 5, 2024, HRYC.

Respectfully submitted,

Tina Dixon-Bartlett

TRICARE For Life, Star Act, Housing Help Will Anchor MOAA's Spring Advocacy Push

February 07, 2024

Illustration by John Harman/MOAA

By MOAA Staff

The three issue areas comprising this year's Advocacy in Action (AiA) campaign show the range of MOAA's legislative priorities – not just for officers, not just for retirees, and not wavering on our commitment to long-term advocacy goals.

Here's a quick look at each of the issues, which were approved by MOAA's board of directors Jan. 19. Want to get involved? [Click here for details.](#)

Concurrent Receipt

What's at Stake: The Major Richard Star Act (H.R. 1282/S. 344) would end an unjust offset for combat-injured veterans who lose a dollar of service-earned retirement pay for every dollar of VA disability compensation. The bill has a supermajority of bipartisan support – more

than 325 House co-sponsors and more than 70 in the Senate – thanks in part to past grassroots efforts from MOAA and partners in [The Military Coalition](#).

MOAA's Mission: We need to keep up this momentum and secure the bill's inclusion in the FY 2025 National Defense Authorization Act (NDAA). It's time for lawmakers to push this long-delayed step toward concurrent receipt for all past the finish line.

[TAKE ACTION ONLINE: [Ask Your Legislators to Support Combat-Injured Veterans](#)]

Full Housing Allowance

What's at Stake: The BAH Restoration Act (H.R. 2537/S. 1823) reverses DoD policy capping the Basic Allowance for Housing (BAH) at 95% of local rental and utilities costs – a policy that's placing a financial burden on servicemembers and families in the middle of a nationwide rental shortage and ongoing recruiting challenges. Restoring this benefit – it was cut by Congress incrementally beginning in 2015 – would make a difference in the quality of life for all who serve, but especially among junior enlisted members and their families, who rely on this allowance as a large percentage of their compensation.

MOAA's Mission: Language requiring an incremental increase reached the late stages of the FY 2024 NDAA process but ultimately was not included in the final bill. We must send a message to lawmakers that close isn't good enough – servicemembers deserve a full housing allowance, and more progress must be made this legislative session.

[TAKE ACTION ONLINE: [Ask Your Legislators to Support Full BAH for Servicemembers](#)]

TRICARE For Life

What's at Stake: Protecting TRICARE For Life (TFL) remains a key issue for all MOAA members – those already covered by TFL and Medicare, along with those who'll use the benefit when they turn 65. MOAA remains concerned about a [Congressional Budget Office \(CBO\) report](#) suggesting two measures which would severely weaken the

benefit – enrollment fees topping \$1,100 per family, and cost-sharing requirements including an \$850 deductible and up to \$4,675 in potential yearly medical bills.

MOAA's Mission: Legislators seeking solutions to budget gaps must hear a clear message: Maintaining TFL is not just a national obligation to those who spent decades in uniform, it's also critical to ensuring key influencers in the recruiting process aren't discouraged from recommending uniformed service to future generations. While TFL fees or cost shares aren't part of any current legislation, we must counter CBO's misguided options with our grassroots advocacy efforts. The next CBO release is slated for December of this year, following the elections; MOAA will update our members as soon as we get the report.

Take Action Online: MOAA's last online advocacy effort addressing potential TFL fees resulted in nearly 49,000 messages to lawmakers. Register for [MOAA's Legislative Action Center](http://www.moaa.org) today so you can be part of upcoming campaigns.

"The Military Officers Association of America (MOAA) is the country's leading organization protecting the rights of uniformed service members and their families. MOAA's constituents proudly hail from every branch of the uniformed services. To them, we have made the same promise that they have made to their country: Never Stop Serving. MOAA's greatest mission is to improve the lives of those who serve and their families, which is achieved largely through the tireless advocacy efforts taking place in our nation's capital. For more than 90 years, MOAA has supported legislation that benefits the uniformed services community and has remained equally vigilant when fighting to stop legislation that threatens our livelihood. The larger our numbers, the greater our voice."
