President's Message

Hello, Halifax Area Chapter MOAA Members. May is National Military Appreciation month and it is fitting that at the May Luncheon Meeting on Thursday, May 25th, the Chapter will be awarding the 3rd annual Outstanding Support to Veterans Award and a second Award of Recognition. The Chapter created this award to recognize a local company that has made significant contributions to veterans, their spouses and families. The winner for 2021 was Sparton Electronics. The luncheon meeting was a resounding success. The Chapter invited representatives from the local Congressperson's office, and county and local officials who attended and provided comments congratulating Sparton Electronics, echoing their support for veterans, their spouses and families. There was local newspaper coverage of the award ceremony. The Outstanding Support for Veterans Award developed community awareness for the Chapter, encouraged local companies to support veterans and was a positive influence in the Chapter's recruiting efforts. Come join us for the luncheon and find out who the award winners are for 2022!

As we prepare to take our summer luncheon meetings break, be assured that your Board of Directors will work through the summer ensuring that the Chapter continues its community engagement activities, its support for MOAA's Advocacy in Action – state and legislative goals and objectives, planning for the fall Luncheon Meetings and the recruitment of new members. Of note, the Chapter's recruitment goal for the year is 15 new members and so far, 14 new members have joined!! Well done!

Have a safe and enjoyable summer and see you when we meet again in September.

Secretary's Minutes

Secretary's Report – April 4, 2023, Board of Directors' Meeting

The April 2023 Board of Director's Meeting for the Halifax Chapter of MOAA met on April 4, 2023, at the Halifax Yacht Club, in Daytona Beach, FL. The meeting was called to order by Bancroft McKittrick, President, at 10 a.m.

The following board members (indicated with an asterisk) and guests were present: Bancroft McKittrick*, Billie Krueger*, Tina Dixon-Bartlett*, Lon Gardener*, Steve Becker*, Patty Higgins*, Steve Maas, Kim Ramos, Pierre Louis, John Higgins. Carl Krueger, and Stephen Casey Lancaster were also present.

Quorum requirements met.

The following items were discussed:

1. **The minutes of the March 2023, Board of Directors meeting** - were distributed by email during the month. Acceptance of these was nominated, seconded, and approved via email.
2. **Treasurer's Report** - Lon summarized the report and stated that the current checking balance is \$8191.88 with an additional \$150 in petty cash, making a total balance of \$8341.88. Tina made a motion to accept, Kim seconded, and all approved.
3. **Membership** – Steve Becker discussed his report (previously emailed to the members). We have had 12 new members join this year, making a total of 111 chapter members. Kim moved to accept the report, Steve Maas seconded, and all approved.
4. **OC** – Pierre stated that he was still receiving pictures from members of the group and that all was going well as it relates to the OC.
5. **Visit to the Veterans Museum** – Bancroft stated that more than 30 people attended the tour to the museum and there were great reviews. The lunch was also excellent.
6. **Bagels and Bingo** – Billie stated that there were 7-8 volunteers and a good showing of veterans. The veterans were given T-shirts. This activity takes place at Emory Bennett Veteran Nursing Home in Daytona Beach, at 10 am on the first Monday of each month.
7. **VA Coffee and Donuts** – This event is on the first Thursday of the month, at 8:30 am, at the VA Clinic, Daytona Beach, and will occur this coming Thursday. John and Patti stated that there was a great turn-out at the last event.
8. **ROTC Scholarship Dinner Letter** – Bancroft stated that he sent the letter regarding the April Cadet's dinner. The Army and Air Force will have cadets attending but not the Navy due to scheduling conflict.
9. **Identify Companies for Outstanding Support to Veterans Award** -- Bancroft, Skip, and Ben Taylor are in the process of reviewing provided information about several companies and they will choose a winner. Bancroft recommended that two awards be given this year: one to a company and one to a non-profit. There was a discussion, and a motion was made by Kim that an award be given to the company and a certificate of appreciation and donation be given to the non-profit. The motion was seconded by Patti and all approved.
10. **West Volusia Chapter Operation Camaraderie Picnic 27 April 2023** – Bancroft reminded us that our chapter is invited to West Volusia Picnic in April. However, it is on the same day as our monthly luncheon.
11. **Register for Luncheon Meetings online** – Bancroft stated that there have been challenges with registering for luncheon meetings online. Several members reported that they had registered online and when they arrived at the luncheon there was no information on their registration. Pierre agreed that, at the next meeting, he will review the process of registering online.
12. **Register for FCOC Convention, St Augustine, 19-21 May 2023** – Bancroft stated that so far 53 people have registered for the convention.

13. **FCOC Convention – 2024, The Shores Resort and Spa**, 12-15 May 2024 – Bancroft reported that West Volusia MOAA chapter has agreed to host the 2024 convention. It will be held in Daytona Beach Shores.
14. **LOE** – Bancroft stated that he is finalizing the Level of Excellence which is due the first of May.
15. **ROTC Scholarship Dinner Update** - Billie reported that the Yacht Club has a new manager, and with that, some changes in the choices of meals. Billie met with the new manager to select new meal choices especially for the cadet dinner and the gala in December. The cadet dinner and gala are evening affairs and there is an increase in cost. The vegan meal will be \$29, and the other meals will be \$41. There will be an open bar.
16. **Cadet Commissioning Ceremony** – Kim stated that 60 Air Force cadets will be commissioned on 5 May. On 7 May, the other services will have their commission ceremony. We are all invited.
17. **Planning Board & Action Plan** – Bancroft reviewed our chapter's goals and objectives for the year to see how we are progressing. So far, we have met or are on the road to meeting our goals and objectives as projected.

This concluded the business portion of the meeting. There being no further business, Bancroft adjourned the meeting at 10:54 a.m.

Respectfully submitted,

Chamber and the Daytona Beach Area Convention and Visitors Bureau. Among the dignitaries was former County Council member Josh Wagner, who is credited with helping to get the bridge project started when he served on the council.

Designed to be a commemorative for the country's military, the bridge features handicap accessibility, eight-foot sidewalks, fishing piers on both sides of the Halifax River, and plaques at 28 scenic overlooks commemorating conflicts in America's military history. The plaques include descriptions of conflicts and outcomes; the number of killed, wounded and missing in action; a QR code linked to additional data; and a Braille plate with information.

Due to its unique open-spandrel arch approach design, the \$38 million dollar Veterans Memorial Bridge was recently recognized as the No. 3 bridge constructed in 2020 by *Road & Bridge Magazine*.

The bridge was named after Tom Staed, a prominent area hotelier and Korean War veteran who passed away in 2013. Staed's widow, Barbara Staed, accompanied by her daughter and two grandchildren, led the inaugural group of cars over the bridge August 6, 2020, in a vehicle procession that also included Volusia County Council members past and present as well as representatives from the City of Daytona Beach, local veterans groups, the Daytona Regional

Veterans & Gold Star Families get free Lifetime Pass to National Parks

The National Park Service now offers a FREE lifetime pass to [National Parks](#) for Veterans & their families. The *Interagency Military Lifetime Pass* waives entrance fees for the National Park Service & the US Fish & Wildlife Service and standard recreation fees for the Bureau of Land Management, Bureau of Reclamation, US Forest Service & US Army Corps of Engineers sites for current military service members & their dependents, Veterans, and Gold Star Families. The free pass waives entrance fees but does not cover user fees for activities such as camping, transportation, special recreation permits, reservation fees or special tours.

The free Military Pass is a way to thank current US military members and their dependents, Gold Star Families, and Veterans for their service to our country and encourage them to explore more than 2,000 federal recreation areas.

Interagency Passes can be obtained in person while visiting participating sites. Visit [Places to Get Interagency Passes](#) for a searchable list. Existing passes remain valid. The participating agencies also offer several fee-free days for everyone throughout the year to mark days of celebration & commemoration: the birthday of Martin Luther King Jr, National Public Lands Day, Veterans Day & the signing of the Great American Outdoors Act.

So let's spend some time outdoors in Mother Nature for improved health by way of a stronger immune system, better sleep, and reduced stress. You don't have to spend hours at a time outside before these benefits kick in, either.

Happy 106th Birthday to the NOAA Commissioned Officer Corps!

President's Message: Advocacy in Action Returns to the Hill

By: Brian T. Kelly

April 18, 2023

In April 1945, our association printed its first bulletin to the membership. The focus then, as it is now, was to inform members on matters critical to their health and welfare.

The inaugural issue of the quarterly publication shared details on a “hospitalization reduction in retired pay” and a recommendation for subsistence allowances for dependents of active duty officers and retirees.

Our mission has grown in scope since 1945, but in flipping through this 78-year-old publication, the topics of their day mirror our own.

In getting back to our association roots, I noticed the publication declared itself a “rallying point” for membership. Nearly four decades later, I’m asking you to rally this month for [our Advocacy in Action campaign](#). We rally not as an association of officers for officers, but as an association of officers who recognize and continue to fulfill our obligations to represent and take care of all uniformed service members, veterans, families, and survivors. Particularly those who may not be as able to take care of themselves.

This year symbolizes MOAA’s resiliency as we return to the Hill with over a hundred MOAA members traveling from around the country to meet with lawmakers April 26. Our online-focused advocacy campaigns these past three years have proven effective, but truth be told, we’re excited to again advocate alongside MOAA members traveling to D.C. to support our mission.

Rep. Joe Wilson (R-S.C.) meets with MOAA President and CEO Lt. Gen. Brian T. Kelly, USAF (Ret), left, and Gen. Gary North, USAF (Ret), chairman of MOAA’s board of directors, at a MOAA-hosted March 29 reception on Capitol Hill. (Photo by Mike Morones/MOAA)

Our advocate teams will visit lawmakers’ offices with two calls to action:

1. [Restore Basic Allowance for Housing to 100%](#).
2. [Reverse TRICARE Pharmacy network cuts.](#)

These topics feed into a broader topic of eroding benefits for our servicemembers, veterans, military families, survivors, and caregivers. Erosions like copay increases in 2018, which as much as doubled. And the TRICARE Select enrollment fees for retirees and their families, which took effect in 2021.

[TAKE ACTION: [Ask Your Lawmakers to Support the All-Volunteer Force](#)]

These individual reductions, like death by a thousand cuts, compound over time. They create hardships for already sacrificing service members and families and major recruiting challenges as influencers recount the erosion to their benefits to the next generation of potential servicemembers. These impacts put our all-volunteer force and ultimately our national security at risk.

We've faced challenges like these before as an association, and I'm asking you today to band together again. Please visit MOAA.org/AiA for updates in the weeks to come.

Please also visit our [Legislative Action Center](#); if you are a first-time visitor, please create a login. From there, you will be able to send advocacy messages to your district representative and senators. In addition to AiA, you can act on our [priorities for the 118th Congress](#)

by endorsing concurrent receipt for combat-injured servicemembers and opposing TRICARE For Life fee Increases.

Thank you sincerely for supporting Advocacy in Action this year. Now let's rally and get moving.
